Migration is a central theme of much African fiction written in English. Here, Brenda Cooper tracks the journeys undertaken by a new generation of African writers, their protagonists and the solid objects that populate their fiction, to depict the material realities of . Brenda Cooper examines the work of the new generation of African writers who have placed migration as central to their writing There is a growing interest in books by writers of African origin. These authors have often grown up or passed their early adult years out of Africa.

Onuzo and Ayikwei provide hope that a new generation of African writers is emerging to take the mantle from Achebe, Gordmer, Ngugi wa Thiongo and other established writers who have dominated the African writing scene in the last decade. In this months post, I explore the factors driving the success of this new generation. A New Generation of African Writers: Migration, Material Culture and Language by Brenda Cooper There is a growing interest in books by writers of African origin. These authors have often grown up or passed their early adult years out of Africa.

A new generation of African writers is making waves on both sides of the Atlantic. In the United States and Europe, several African-born writers have sold their books to mainstream houses and have topped bestseller lists; on the African continent, the development of new publishing houses and collectives, literary magazines, and writing networks.
