The second book in the "Wicked" series continues the story of Cheri, Cam and Kayden with much more character development. Throw in some bad guys (Angela, Jill and Marilyn) and some good guys (Mano, Zuri, Jayze, Natalie and Lightning Rod) and some amazing animal companions and you have an emotional roller coaster/5. A Wicked Beginning is definitely a sensuous story of awakening, self discovery, and self acceptance. The twists and turns hold the readers attention and I was so sad that this part of their story has come to an end. I cant wait to see what is next .
