Combining useful information, agricultural history, and recipes from Virginia's political leaders, celebrities, chefs, and farm families, noted author CiCi Williamson has created a book that entertains and educates readers about the states land, people, and go-nayked.coms: 7. As the cradle of American agriculture, Virginia's history has been molded by a way of life directly connected to the land. This colorful, graphically striking book captures the intimate relationship between the states identity and its agriculture with interviews, tours, sidebars, essays, and recipes, along with evocative illustrations and maps/5.
