Which Lie Did I Tell?: More Adventures in the Screen Trade is a work of non-fiction first published in by novelist and screenwriter William Goldman. It is the follow-up to his book Adventures in the Screen go-nayked.com: William Goldman. Goldman opens his long-awaited sequel by writing about his years of exile before he found himself 4/5.

I have two key problems with Which Lie Did I Tell, however. One is, many Goldman fans will have seen a lot of this text before. Much of this material has appeared in Premiere Magazine over the years, as well as in collections of Goldman's go-nayked.coms:

So, if you read (and liked) Adventures in the Screen Trade and haven't read Goldman's movie pieces elsewhere, give this review an extra star and give Which Lie Did I Tell a try. If you know every line of Adventures and sought out everything Goldman has written since then, you might consider waiting for the go-nayked.coms:

A lie is a statement used intentionally for the purpose of deception.
